DETAILED ACTION

This Office Action is in response to the Amendment filed on August 18, 2008.

Claim 7 was cancelled.

Examiner's Comment

Applicant's arguments, see pages 9-17, filed August 18, 2008, with respect to the Drawings and the rejections of Claims 1-6 and 8-19 in the Final Rejection mailed on June 16, 2008 have been fully considered and are persuasive. Accordingly, the objection of the Drawings and the rejections of Claims 1-6 and 8-19 have been withdrawn.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the Prior art fails to disclose or renders obvious the claimed combination of an electric motor cartridge configured for insertion in a housing and to drive a compressor wheel, the electric motor cartridge having a first cartridge housing portion; a second cartridge housing portion; and a rotor; and including:

"Regarding claim 1:

the cartridge housing being coupled together so as to assemble the electric motor cartridge by radially and axially encapsulating (emphasis added) a stator there between, each cartridge housing portion having a semi-shell shape substantially comprised by a bottom portion and a cylindrical wall portion; at least one of the cylindrical wall portions forming a contact upon insertion of the assembled electric motor cartridge in a housing, and one of the bottom portions forming part of a fixed encapsulation barrier (emphasis added) between the stator and a compressor wheel to be driven by the assembled electric motor

cartridge; each cartridge housing portion providing a bore in the center of its bottom portion, characterized in that the rotor has peripheral portions inserted through the bores of the cartridge housing portions and a through hole axially extending through the rotor and its peripheral portions for inserting a through the rotor."

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
